Something Good is a rotating hoppy beer series where we explore new ingredients, techniques and processes with the hope of hitting on something good...
SG 19 is a fruit salad IPA, brewed with Wildfarmed malted barley and oats, with a distinctive peach flavour and aroma profile.
Layers of lupulin goodness, leaning heavily on Peacharine in the dry hop meld with a bright hit of Abstrax peach terpenes to create a heady fruit forward experience.

The taste is full bodied grain with lots of green apple and light but persistent hints of pine and herbs, with a light bitterness that persists through to the finish.
Eminently satisfying.
