## Jaipur

5.9% PALE

We are often told "this is the beer, that got me into beer" and we are always very proud to hear this. It's usually recognised as the first UK craft IPA, and was brewed with a huge amount of US hops at a time where this was very unusual, these provide a fantastic experience of grapefruit, lemon and tropical fruit with an enticing bitterness. We balance these with a great English malt base of Low Colour Maris Otter from Norfolk that helps keep the beer light and drinkable with enough sweetness to keep it all in harmony.
